## MAYOR'S MESSAGE

I am pleased to deliver the City of Westworth Village's 2022-2023 fiscal year budget.

I've closed the last three years' budget messages by stating "*Westworth Village is poised for continued economic success, and for an ever-increasing level of municipal service to its citizens.*"

Once again, your city government met its goals.

While the 2021-2022 fiscal year did not present the immense pandemic challenges of the prior fiscal year, your local government operated under budget, and significant accomplishments occurred during the past fiscal year, including:

- grand opening of the city's first true park, Melva Campbell Park, which has been an overwhelming success
- the city's certified tax base increased to **\$443** million, representing a **ten** percent increase over last year's value of \$381 million. Since 2016, the city's tax base has increased an incredible **74%**.
- a steady tax rate of \$0.475, less than the city's historical \$0.50 per \$100 valuation tax rate
- a balanced general fund budget, with strong cash reserves increased to **76%** of total annual operating expenses
- the city's bond rating increased two levels to "**AA**," the same rating as Fort Worth and Arlington -- unheard of for a town of our size
- prioritized implementation of and funding for the city's comprehensive drainage city plan
- new modern illuminated city limit signs

- our outstanding police department received the prestigious “Best Practices” certification from the Texas Police Chiefs Association
- refinanced the bulk of the city’s bonded indebtedness at a lower interest rate, saving the citizens approximately \$30,000 per year
- another record-breaking year at Hawk’s Creek Golf Club, adding to the prior fiscal year’s operating surplus
- a strengthened, closer relationship between your city government and the senior officers at Naval Air Station Fort Worth Joint Reserve Base
- resurfacing of Roaring Springs Road through the city

The City of Westworth Village remains very strong financially, with a rapidly-expanding tax base and an historically low tax rate. Through both visionary leadership from our elected predecessors and a dedicated city staff, Westworth Village finds itself in the position to continue to improve city services and amenities while maintaining an enviable low tax rate. Increasingly, our financial strength, excellent location, outstanding police department, desirable neighborhoods, and just darned friendly people make Westworth Village a commercial and residential destination of choice.

There is more to do, and your city government will get better.

I’ll say it yet again: *“Westworth Village is poised for continued economic success, and for an ever-increasing level of municipal service to its citizens.”*

# GOVERNMENTAL FUNDS

PROCESSED

## GENERAL FUND

The city uses a conservative approach to budgeting its revenue and expenses, as we are unable to predict when the pandemic will end or long-term effects to both commercial businesses and local growth. The two major sources of its revenue for the General Fund are *ad valorem* and general sales taxes, making up approximately 72% of city total revenue. The remaining revenue is generated from franchise fees, permit fees, and court fines and fees.

- Sales tax revenue is dependent on the goods and services sold at Westworth Village businesses, and are affected by our local retailer's successes and failures, area workforce stability, and the overall stability in the U.S. market. The sales tax rate in Tarrant County is 8.25%, of which two cents of every sales dollar goes to Westworth Village. One cent is used as revenue in the general fund, ½ cent is used to fund CCPD, ¼ cent for the street fund, and ¼ cent for economic development. We encourage everyone to support our local Westworth Village businesses - this increases sales tax revenue which helps keep property taxes low, and it increases local job opportunities.
- Ad Valorem tax revenue, also known as property taxes, are affected by state-imposed limitations on increases. The city only collects a small portion of your total property tax. The majority of the total amount collected goes to Tarrant County services and Fort Worth ISD. This budget is based on no change to the current *ad valorem* tax rate of \$0.475 per \$100 of appraised value. To view how Westworth Village *ad valorem* tax rates compare to other areas in Tarrant and surrounding counties, visit the [tarranttaxinfo.com](http://tarranttaxinfo.com) website.

General Fund revenue is used to fund the following public services:

- Administration
- Facilities
- Police
- Municipal Court
- Fire Protection and Prevention Services
- Library Services

Some key points of change affecting revenue this year include:

- Overall, general fund revenue is projected to be higher than last year. During FY2022 we returned to a pre-COVID type environment and saw an increase in residential permit revenue. Commercial permit revenue remained minimal as our commercial build out is almost complete.
- Minimal growth in general sales tax revenue is projected due to the instability in the economy and no new high producing business are anticipated to add to the tax rolls this year. We continue to remain conservative in our sales tax projections.
- Maintaining the current *ad valorem* tax rate based on the TAD estimated net property tax value of \$442,995,786.

Fire Protection and Prevention expenses cover our contract with the City of Fort Worth. The contract covers all fire protection, marshal, and plan review services for the city from the four Fort Worth fire stations, all within five miles of Westworth Village. It includes a cost increase for the coming year.

Due to our police department providing trained emergency first responder service, our citizens enjoy an approximately \$200,000 per year discount on our fire services contract with Fort Worth.

## Library Expenses

Library expenses are based on the city's collaboration with the City of Fort Worth Library System. This reimbursement program allows Westworth Village citizens to obtain a nonresident library card from the City of Fort Worth library system and submit the receipt for a credit to be applied on their utility invoice, or a check to be issued to those without utility accounts. This collaboration also grants the Fort Worth Library access to use the community room to plan events and activities.

PROPOSED

# STREET FUND

Street Fund revenue is collected through a dedicated ¼ cent sales tax, which must be re-authorized by the city's citizens every four years. It is scheduled to expire on September 31, 2024. It will be placed on the May 2024 ballot for re-authorization by citizen vote.

Street Fund expenses are restricted to street repair and maintenance, traffic lights, signage, and appropriate employee salaries and benefits. The fund current covers public works employees' salaries and benefits, and the allowable expenses associated with city street repair and maintenance, traffic lights, and signage.

## CAPITAL FUND

This account is funded by Texpool interest (city invested funds), alleyway reimbursement payments, TAP grant reimbursements, as well as transfers from the street fund, storm water fees, and gas well royalties. Expenses for capital improvement projects are typically planned in advance, complying with the city's approved long-range plans and with city council approval, unless an emergency repair is required. This fiscal year the city will be moving the water meter boxes out of the sidewalk on Pollard Street.

## CRIME CONTROL & PREVENTION DISTRICT FUND

Crime Control and Prevention District is funded by a ½ cent citizen-authorized sales tax. The current sales tax is scheduled to expire on September 30, 2024, and must be placed on the ballot for a re-authorization vote every 20 years; therefore, it will be on the May 2024 ballot. Expenses are restricted, and this account typically funds five full-time police positions, police vehicle purchases, uniforms, community relations activities, and various equipment maintenance contracts. Payroll includes a five percent cost of living and merit adjustment, certification pay for police officers, 12% TMRS rate, and \$1000/month city paid insurance benefit.

## DEBT SERVICE FUND

Debt Service revenue is allocating a portion of the city's assessed *ad valorem* tax, along with transfers from the Water and Hawks Creek Golf Club enterprise funds. The Debt Service fund makes the annual payment for city-issued debt.

Debt Service expense includes principal and interest payments for city-issued debt. This includes certificate of obligation and general obligation refunding bonds. In fiscal year 2022 the city refunded the 2013 certificate of obligation and saved the taxpayers approximately \$30,000 annually. The city continues to contemplate issuing additional debt in future years to fund drainage infrastructure and street improvements.

# ENTERPRISE FUNDS

*An enterprise fund can be created when a public service generates enough revenues to pay for its current and ongoing cost. The public service becomes a “profit center”; the users fees are calculated to pay for the cost of the current service as well as plan for future maintenance and upgrades. Enterprise funds help maintain a lower ad valorem tax rate. Some general examples of enterprise funds include public utility services, parking garages, golf courses, stadiums, arenas, convention centers, as well as certain programs held at museums, libraries, and recreational facilities. It is important to note that an enterprise fund can be partially funded by other tax revenue sources or be fully self-sufficient. Westworth Village has two enterprise funds, Utilities and Hawks Creek golf course, both are budgeted to be self-sufficient. However, should unexpected expenses arise economic development reserve funds may be used.*

## WATER FUND

Water is funded through the sale of water, sewer fees, and sanitation fees. The city purchases water and sewer services from the City of Fort Worth, and charges rates to recover the full cost of both the fixed and variable costs associated with maintaining those infrastructures. This budget includes a seven percent water rate increase and a 12% sewer rate increase to cover the increase costs of those services. The city purchases sanitation (trash/recycling) services through a third-party contractor. Expenses include a debt service payment, four full-time employees, and all other costs associated with operating and maintaining city utility services. Payroll includes a five percent cost of living and merit adjustment, 12% TMRS rate, and \$1000/month city paid insurance benefit.
