Prevention District

Library Open House

Our library will re-open, **Tuesday, August 1st**, in our new location.

To celebrate, we will be holding an open house on **Wednesday, August 9th**. Come see the new location, enjoy cookies and punch, and paint a rock for the rock garden from **10 am to 5 pm**. The library is located directly behind the Municipal Complex.

Burton Hill Elementary Opens for School

As the school year approaches, please be aware of children walking to school and crossing the streets. The school zone on Burton Hill Road is 20mph. Flashing light signals will remind you to slow down.

Registration Dates in August: Tuesdays & Wednesdays, 10 am - 2 pm

Ice Cream Social: Thursday, August 17, 4:30 - 6 pm

First Day of School: August 21, 2017

The building opens daily at 7:30am. The school parking lot is for school staff only. Drivers are asked to park on the right hand side of the street, by the fence, in front of the school. Visit the school website at www.fwisd.org/BurtonHill or call 817-815-1400 for more information.

Farewell to Our City Administrator

As many of you are already aware, I will be retiring as your City Administrator in August. I would like to thank you, the citizens of Westworth Village, for the support and friendship you have given me over the past seven years. I have enjoyed my time as your City Administrator but, after 30 plus years in City administration, I am looking forward to retirement.

It has been especially rewarding to have watched the City become one of the most desirable places in the Fort Worth area for home redevelopment and new construction. It has been a pleasure working for a City Council that truly places the best interest of its citizens above their own self interests. In addition to a committed City Council, you also have one of the best staffs I have ever been associated with. They take pride in what they do and I have no doubt they will continue to provide you a level of service that far exceeds their stated "job duties".

While I look forward to my retirement, I will miss many of the people in this community and wish the best for you and the City going forward.

Thank you again for the past seven years.

Roger Unger

Code Corner

We would like to remind citizens that storage of items on front porches, carports, and side yards could become dangerous and unsightly. Storing items such as: indoor furniture, appliances, construction material, household items, toys, scrap metal, automotive parts, tires, clothes, etc. visible to the public is a Code Violation. The accumulation of these items on front porches and carports is an invitation to vandals looking for valuables, potentially endangering citizens and is unsightly for the neighbors.

Covering outside storage piles or screening the front porches and carports with tarps and other material is not a remedy to this problem. Our department sends out notice of violation letters. If the problems remain, those in violation of City Ordinances will receive a citation to appear in Court.

If you have questions regarding the Code of Ordinances, please contact me.

Thank you for helping us keep the Village safe, beautiful and clean!

Nader Jeri, City Building Official

817-710-2518

Annual Fall Cleanup

The annual fall clean up for the city will be held in the Municipal Complex Parking Lot:

- **Saturday, September 23, 2017 - from 7:00am to 4:00pm**
- **Remember to bring proof of residency (copy of water bill or drivers license).**

We cannot accept paints, tires, oil, insecticides, items that are harmful to the environment, refrigerators, air conditioners, any Freon bearing items, batteries, or other hazardous
