## November 3rd, 2020 General Election

Due to the postponement of the May election in compliance with COVID-19 social distancing measures, the city's annual election will now be held **Tuesday, November 3**. As the election approaches, we will keep you informed of upcoming candidate events.

*If you have any questions, please contact the City Secretary at 817-710-2526 or [bbarrett@cityofwestworth.com](mailto:bbarrett@cityofwestworth.com)*

## Street Maintenance Tax

On the November ballot, citizens will be presented with the opportunity to vote on the reauthorization of the 1/4 cent street maintenance sales tax. This tax expires and must be voted on for reauthorization every four years. This tax does not affect personal property taxes unless voters choose not to reauthorize it.

The Texas Legislature established the street maintenance sales tax in 2001. The purpose of the legislation is to allow cities to adopt a sales tax rate of up to 1/4th of one percent to be fully dedicated to the maintenance and repair of existing streets. A tax rate of 1/4th of one percent equals 2.5 cents on a \$10 purchase or 25 cents on a \$100 purchase.

This tax generates restricted revenue to fund Street Department equipment, maintenance supplies, and personnel.

For more information, we encourage residents to call the City Secretary at 817-710-2526.

## 2020 Census

The 2020 Census was delivered in March and April. Over half of US households have responded. Due to COVID-19, the self-response phase has been extended from July 31 to **October 31**. Please be aware that everyone living in the United States is required by law to respond, but the Census is legally bound not to share your information with other government agencies. Responses can be completed online, by phone, or by mail. Census results directly impact federal, state, and local funding for resources throughout our community over the next decade, so please respond if you have not already.
