## Santa Claus is Coming to Town

Santa Claus will be visiting Westworth Village on **December 4th!** He will begin his ride through town on the route pictured on a Fort Worth fire engine at **9:00 AM** and will be escorted by Westworth Village PD to the City Hall, where he will be in his socially-distanced sleigh for photo opportunities until **noon!**

Families will receive a photo with Santa, a take-n-make Christmas craft packet, and a snack to-go.

## Holiday Theft Awareness

Yes, **ITS SHOPPING SEASON FOR BURGLARS!**

Be sure to keep your car locked (even when parked in your driveway) and hide items from view on the inside when shopping this season.

**HIDE**  
**Your Stuff**

**LOCK**  
**Your Car**

**TAKE**  
**Your Keys**

Additionally, after all the presents have been unwrapped this holiday season, take time to break down the boxes and hide them in dark trash bags or trash bins. Burglars drive neighborhoods and shop the curbs for houses to hit.

**A reminder from the Westworth Village Police Department.**

## Message from the Water Utilities Services

### Residential Winter Sewer Averaging

Each year the City of Westworth Village averages the water consumption of the December, January, and February billing periods to recalculate sewer charges. These months are used because typically residents do not have a high outdoor water demand and are considered to be the lowest overall water use.

The new winter sewer average goes into effect on the March billing and that will be the new monthly sewer charge for the next twelve months.

### Commercial

Sewer charges for commercial customers are based on the monthly water consumption.

### Water Conservation Tips

- Residents should begin preparations to monitor for any water leaks, monitor water consumption and practice beneficial water conservation.
- Most grasses and vegetation are now dormant; watering of grass, plants, and landscaping should be kept to a minimum.
- Sewer cost could go up, down, or stay about the same depending on how much water is used during December through February billing.

## December Blood Drive

The city will be hosting another blood drive at City Hall on **Friday, December 17, 2021** from **9:00 AM - 2:00 PM**. As the holidays approach, please consider giving the biggest gift of all—the gift of life. Additionally, all donors will receive a \$10 Amazon gift card.

If possible, they will accommodate walk-ins, but scheduling an appointment is **HIGHLY** encouraged.

To schedule, follow this link: [https://ww3.greatpartners.org/donor/schedules/drive\\_schedule/128293](https://ww3.greatpartners.org/donor/schedules/drive_schedule/128293) or scan the QR code

For questions, contact Elisa Greubel at 817-710-2502 or [egreubel@cityofwestworth.com](mailto:egreubel@cityofwestworth.com)

For call ahead orders, contact  
817-738-8496

All Westworth Village Residents can enjoy this  
deal any day in December  
\*Not redeemable for cash - no cash value

## Cease the Grease—Holiday Grease Roundup

This year, from November 22—January 10, we will be participating in the **free** Holiday Grease Roundup. There will be a barrel outside the Public Works building at 128 Koldin Ln, available 24/7 to recycle your cooking oil and grease. (Motor oil and other automotive fluids are not accepted.)

Residents should never dispose of cooking grease or cooking oils by washing them down the plumbing system or the storm drain. Oils pollute our streams and creeks by forming a film on the water surface and preventing oxygenation for aquatic life. Polluted water runoff can lead to severe State and Federal fines. As sewer pipes back up, food and sewage particles accumulate to create a health hazard by attracting insects and vermin.
