• Council will take action when the public hearing is closed on September 15th at 5:30pm.

**PUBLIC HEARING #3:** Public Hearing to receive citizen comments and input on the adoption of increased drainage charges for the Westworth Village Municipal Drainage Utility System, which was established in August 2011.   properties is \$4.00 per ERU.

# MAYOR'S MESSAGE

I am pleased to deliver the City of Westworth Village's 2020-2021 fiscal year budget.

I closed last year's budget message by stating "Westworth Village is poised for continued economic success, and for an ever-increasing level of municipal service to its citizens."

Mission accomplished.

The 2019-2020 fiscal year was yet another outstanding year of progress for Westworth Village. Highlights of the new 2020-2021 budget, and accomplishments during the past fiscal year, include the following:

- completion of a citywide citizen survey, seeking your input on the city's issues and priorities. You spoke, and we listened.
- the city's certified tax base increased to \$359 million, representing a 14% increase over last year's value of \$310 million. Since 2016, the city's tax base has increased an incredible 42%.
- a steady tax rate of \$0.475, less than the city's historical \$0.50 per \$100 valuation tax rate
- a balanced general fund budget, with strong cash reserves equal to 46% of total annual operating expenses
- Hawks Creek Golf Club "standing alone," with no supporting cash infusion from other city sources
- \$450,000 budgeted for the creation of two new parks at city hall, and improvements to Kaster Korner
- in response to citizen concerns regarding speeding, a reduction in the residential speed limit throughout the city to 25 mph
- in response to citizen input, funding for 13 additional street lights throughout the town's original layout
- in response to citizen input, adoption of a drainage ordinance, requiring an approved drainage plan for all new residential construction. Additional drainage requirements are under current review

- improvement of the Burton Hill Elementary school crossing, resulting in both increased child pedestrian safety and enhanced traffic flow
- completion of the eight-year long citywide trail system
- budgeted funds for a complete resurfacing of Roaring Springs
- implemented last year's "performance-based" budget concept, which sets forth each city department's objective fiscal year performance goals to enhance city services to our citizens

In conclusion, the City of Westworth Village remains very strong financially, with a rapidly-expanding tax base and an historically low tax rate. Through both visionary leadership from our elected predecessors and a dedicated city staff, Westworth Village finds itself in a position to improve city services and amenities while maintaining that low tax rate. The city's continued financial strength, excellent location, outstanding police department, desirable neighborhoods, and just darned friendly people make Westworth Village a commercial and residential destination of choice.

I'll say it again: "Westworth Village is poised for continued economic success, and for an everincreasing level of municipal service to its citizens."

# GOVERNMENTAL FUNDS

# **GENERAL FUND**

The city uses a conservative approach to budgeting both revenue and expenses, as we are unable to predict when the pandemic will end or the long-term effects it will have to both commercial businesses and local growth. The two major sources of revenue for the General Fund are ad valorem and general sales taxes, making up approximately 60% of the total revenue. The remaining revenue is generated from franchise fees, permit fees, and court fines and fees.

- Sales tax revenue is dependent on the goods and services sold at Westworth Village businesses, and are affected by our local retailer's successes and failures, area workforce stability, and the overall stability in the US market. The sales tax in Tarrant County is 8.25%, of which two cents of every sales dollar goes to Westworth Village. One cent is used as revenue in the General Fund, ½ cent is used to fund CCPD, ¼ cent for the Street Fund, and ¼ cent for Economic Development. We encourage everyone to support our local Westworth Village businesses this increases sales tax revenue which helps keep property taxes low, and it increases local job opportunities.
- Ad Valorem tax revenue, also known as property taxes, are affected by the state-imposed limitations on increases to property taxes. The city only collects a small portion of your total property tax. The majority of the total amount collected goes to Tarrant County services and Fort Worth ISD. This budget is based on no change to the current ad valorem tax rate of \$0.475 per \$100 of appraised value. To view how Westworth Village ad valorem tax rates compare to other areas in Tarrant and surrounding counties, visit the tarranttaxinfo.com website.

General Fund revenue is used to fund the following public services:

- Administration
- Facilities
- Police
- Municipal Court
- Fire Protection and Prevention Services
- Library Services

Some key points of change affecting revenue this year include:

- Anticipation of fewer new construction projects; therefore, permit fees have been reduced.
- Anticipation of fewer court revenues due to unfunded state mandates and limitations.
- Anticipated growth in general sales tax revenue as Shady Oaks Country Club will reopen, and new businesses (Burger King, Braum's) are anticipated on the sales tax rolls.
- Maintaining the current *ad valorem* tax rate based on the Tarrant County estimated net property tax value of \$358,527,323.

# **Library Expenses**

Library expenses are based on the city's collaboration with the City of Fort Worth Library System. This reimbursement program allows Westworth Village citizens to obtain a nonresident library card from the City of Fort Worth library system, and submit the receipt for a credit to be applied on their utility invoice, or a check to be issued to those without utility accounts. This collaboration also grants the Fort Worth Library access to use the community room to plan events and activities.

### **CAPITAL FUND**

This account is funded by Texpool interest (city invested funds), alleyway reimbursement payments, TAP grant reimbursements, as well as transfers from the street fund, storm water fees, and gas well royalties. Expenses for capital improvement projects are typically planned in advance, complying with the city's approved long-range plans and with city council approval, unless an emergency repair is required. Since there have been no capital improvement projects in the prior two fiscal years, \$350,000 has been added to cover the cost of materials to resurface Roaring Springs Road, using Tarrant County's roadway assistance program.

### **DEBT SERVICE FUND**

Debt Service revenue is allocating a portion of the city's assessed *ad valorem* tax, along with transfers from the Water and Hawks Creek Golf Club enterprise funds, as well as a payment-in-lieu-of-taxes from the Hawks Creek Apartments. The Debt Service fund makes the annual payment for city-issued debt.

Debt Service expense includes principal and interest payments for city-issued debt. This includes certificate of obligation and general obligation refunding bonds. The city contemplates issuing additional debt in future years to fund drainage infrastructure and street improvements.

# **ENTERPRISE FUNDS**

An enterprise fund can be created when a public service generates enough revenues to pay for its current and ongoing cost. The public service becomes a "profit center"; the users fees are calculated to pay for the cost of the current service as well as plan for future maintenance and upgrades. Enterprise funds help maintain a lower ad valorem tax rate. Some general examples of enterprise funds include public utility services, parking garages, golf courses, stadiums, arenas, convention centers, as well as certain programs held at museums, libraries, and recreational facilities. It is important to note that an enterprise fund can be partially funded by other tax revenue sources or be fully self-sufficient. Westworth Village has two enterprise funds, Utilities and Hawks Creek golf course, both are budgeted to be self-sufficient. However, should unexpected expenses arise economic development reserve funds may be used.

### WATER FUND

Water is funded through the sale of water, sewer fees, and sanitation fees. The city purchases water and sewer services from the City of Fort Worth, and charges rates to recover the full cost of both the fixed and variable costs associated with maintaining those infrastructures. The city purchases sanitation (trash/recycling) services through a third-party contractor. Expenses include a debt service payment, three full-time employees, and all other costs associated with operating and maintaining city utilities. Payroll includes a 3% cost of living adjustment, 12% TMRS rate, and \$700/month city paid insurance benefit.
