<u>Council Place 5:</u>	144 Votes	Dan Novak - Unopposed
<u>Bond Election:</u>	109 Against	Multipurpose Community Center
	82 For	

Our Library is Moving

Our library is moving; the current library location and building has been sold. The City is currently reviewing manufactured building options. The building will be placed on the land directly behind City Hall with the entrance facing the parking lot.

All Summer Reading Program activities scheduled for this summer will be held in the Community Center at City Hall, while the Library is in transition. You can check the schedule online and it will be posted at City Hall.

We hope you are excited about the new facility, and we request your forgiveness for any inconvenience this move may cause. We will have more information available online soon about the move and when the Library will be closed.

Finally, please stop in and welcome Courtney Jackson, our new librarian. She has an exciting Summer Reading Program lined up with some great guests. Don't miss out on the fun this summer!

May 31, 2017

Citizens, Staff and Council Members,

As many of you know, there have been several changes in my life during the last year, and I find that I no longer have the ability to continue as a member of the City Council.

I loved being part of Westworth Village and contributing to its development. It has been my honor to serve the citizens. I hope that they are proud of the decisions that I have made to move us forward: creating a Police Department that is ECA Certified; advancing our citizens health and well-being through our new trail system, the unfortunate but necessary disassembly of the Volunteer Fire Department, and reviewing and modifying the book of City Ordinances. However, I believe my greatest accomplishment took place at the City Library; moving the library forward by digitizing our collection to function in an electronic community and joining the Regional Library Consortium. I will always remember casting my vote on these and many other issues.

As I embark on the next chapter of my life, I will sorely miss this area of Texas, Westworth Village, it's citizens, the council, and the city staff. I wish you all the best and hope someday to return and see the vision continuing to move forward. Thank you for your support over the years!

Sincerely,

Jill Patton

Councilmember Place 2

Code Corner

We would like to remind citizens that storage of items on front porches, carports, and side yards could become dangerous and unsightly. Storing items such as; indoor furniture, appliances, construction material, household items, toys, scrap metal, automotive parts, tires, clothes, etc. visible to the public is a Code Violation. The accumulation of these items on front porches and carports is an invitation to vandals looking for valuables, potentially endangering citizens and is unsightly for the neighbors.

Covering outside storage piles, or screening the front porches and carports with tarps and other material is not a remedy to this problem. Our department sends out notice of violation letters, if the problems remain, those in violation of City Ordinances will receive a citation to appear in Court.

If you have questions regarding the Code of Ordinances, please contact me.

**Thank you for helping us keep the Village
safe, beautiful and clean!**

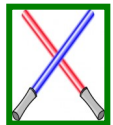

Nader Jeri, City Building Official, 817-710-2518

Westworth Village Public Library Summer Reading Program

All programs are family friendly, best for ages 4-12

Friday, June 2nd at 10 AM: First day of Summer Reading Registration! Stop by the library to officially register, get your reading logs, and have a chance to win a cool prize.

Tuesday, June 13th at 3 PM: Ronald McDonald is coming for a visit! A 45-minute show of excitement and joy, all based on the love of reading.

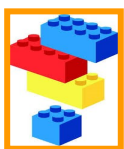

Tuesday, June 20th at 3 PM: Is the Force strong with you? Calling all Jedi's in training for a fun Star War's themed party. Games, activities, & snacks will be provided.

Tuesday, June 27th at 12 PM: This is for all the animal lovers! Come out and join us, as we get up close and personal with a real dairy cow. Games, activities, and cookies (of course!) will be provided.

Tuesday, July 11th at 3 PM: Rawr.....!! Did you hear that?!? Help us dig and learn about our favorite prehistoric creatures: DINOSAURS! Games, activities, and snacks will be provided.

Tuesday, July 18th at 3 PM: Calling all Superheroes! Join us as we celebrate all things *super* at this Superhero Party. Games, activities, and snacks will be provided. Costumes welcomed!

Saturday, July 29th at 3 PM: Last day of the Summer Reading Program, so be sure to turn in your reading logs! Also, we will be having a LEGO themed party. Games, activities, & snack.

Activities will be located in the City Hall Community Room!
