You don't need a passport to experience this Amazing Race around the world!

Thursday, February 15th

All After School Programs Held at the Library

311 Burton Hill Rd, Bldg. B—Behind City Hall

Grease is a Hazard to Our Health

Residents should never dispose of cooking grease or cooking oils by washing them down the plumbing system or the storm drain. Oils pollute our streams and creeks by forming a film on the water surface and preventing oxygenation for aquatic life. Polluted water runoff can lead to severe State and Federal fines. Another hazard of improper grease disposal is that it can cause sewer pipes to back up, causing food and sewage particles to accumulate and create a health hazard by attracting insects and vermin. Soak up leftover amounts of cooking oil with a paper towel and throw it in the trash, filter and freeze to reuse for another meal, or recycle cooking oil by calling the Fort Worth Household Hazardous Waste Collection Center at 817-871-5257.

For more information, visit:

www.ceasethegreasentx.com

Annual Spring Clean-Up

The annual spring clean up for the city will be held in the Municipal Complex Parking Lot:

- **Saturday, March 3, 2018 - from 7:00am to 4:00pm**
- **Remember to bring proof of residency (copy of water bill or drivers license).**

We cannot accept paints, tires, oil, insecticides, items that are harmful to the environment, refrigerators, air conditioners, any Freon bearing items, batteries, or other hazardous material.

If you need to dispose of hazardous waste at any time, please visit our Water Department to receive a voucher to Fort Worth's Environmental Collection Center. Vouchers cost \$50 and you must bring your driver's license or current water bill with you for proof of residency.

Hawks Creek Golf Club

Hawks Creek Golf Club has been undergoing some very exciting renovations. We are proud to report that the bunker renovation is now complete! Here's what you can expect:

- **Premier Play White Sand**—This is a coarser sand blended with a small percentage of fine sand. The addition of the white sand adds to the beauty of the course and will become even more striking as the weather warms up and the grass gets greener!
- **Less Bunkers**—There are now roughly half the square footage of bunkers than before. This reduces our maintenance time and the time golfers spend in bunkers, which improves the overall speed of play.
- **New Drainage and Liners**—This minimizes our maintenance time after storms as we no longer will have to pump water out of the bunkers.

With our new bunkers, we are one of the most desirable places to play in the area. Please come check us out and see the great results! Don't forget, Westworth Village residents can play at a discounted rate! For hours, scheduling, and pricing information, please visit our website at www.hawkscreek.com

The Pro-Shop is currently running specials! We are marking our Titleist Vokey SM-6 Wedges down from \$149.00 to \$109.00, our Titleist 917 Driver from \$499.00 down to \$399.00 and our 917 Fairway metal from \$319 to \$279.
