Planning and Zoning Commission

Applications are currently being accepted for citizens interested in serving on the Planning and Zoning Commission. If you are interested in applying, the application can be found on the City website at: <http://www.cityofwestworth.com/boards-commissions> or from the City Secretary's office.

Applications are due to City Secretary Brandy Barrett by **June 7th**. For any questions, please contact Brandy Barrett at bbarrett@cityofwestworth.com or 817-710-2526.

Unightly Storage

We would like to remind citizens that storage of items on front porches, carports, and side yards could become dangerous and unsightly. Storing items such as: indoor furniture, appliances, construction material, household items, toys, scrap metal, automotive parts, tires, clothes, etc. visible to the public is a Code Violation. The accumulation of these items on front porches and carports is an invitation to vandals looking for valuables, potentially endangering citizens, and is unsightly for the neighbors.

Covering outside storage piles or screening the front porches and carports with tarps and other material is not a remedy to this problem. Our department sends out notice of violation letters. If the problems remain, those in violation of City Ordinances will receive a citation to appear in Court.

If you have questions regarding the Code of Ordinances, please contact me.

Thank you for helping us keep the Village safe, beautiful and clean!
