Speed Limit Reduction

REMINDER: Throughout the city, the speed limit on all city streets excluding alleyways, school zone on Burton Hill Road, Burton Hill Road, White Settlement Road East of Roaring Springs Road to the city limit, Roaring Springs Road, Pumphrey, and Highway 183/Westworth Blvd city limit to city limit, is being reduced to 25 miles per hour.

Signage has been placed on applicable streets. Please be mindful of this change and observe the new speed limits.

Burton Hill Elementary Opening Delay

As the school year approaches, please be aware that this year Burton Hill Elementary, as well as all Fort Worth ISD schools, will begin as scheduled on August 17. However, they be participating in virtual instruction until September 28th.

Visit the school website at www.fwisd.org/BurtonHill or call 817-815-1400 for more information.

Burton Hill Crossing Signal Change

This month the City will be updating the school crossing outside of Burton Hill Elementary. We would like to remind our citizens that we will be removing the stoplight and placing a button activated pedestrian crossing signal like the one pictured here.

Mayor's Blood Drive

Please join me in donating much-needed blood when Carter BloodCare brings its mobile van to city hall on August 14.

Carter BloodCare promises the van is very socially-distant compliant, and every precaution for your safety will be made. For this reason, appointments are preferred.

Due to the world's Covid disaster, blood is now in critical supply. I know our citizens will respond to this need. Who knows? The life you help save may be that of one of your neighbors.

--Mayor Kelly Jones

Elisa Greubel
Volunteer Drive Coordinator

 **#GIVEFORLIFE** call/text 800-366-2834

To honor social distancing, please **make an appointment**, complete donor question online using **QuickScreen** and plan on **bringing/wearing a mask**. We will do our best to provide one for you but our supply is very limited.

Try QuickScreen

(c) 2020 CarterBloodCare

Carter BloodCare observes current social distancing guidelines.

Budget Presentation

The proposed FY 2020-2021 budget will be presented on **Tuesday, August 11th** at the Finance Committee and City Council Meetings. There will be public hearings held regarding the budget in September.

Sprinkler Information

With July and August being the hottest summer months, keeping the lawn watered can lead to higher than usual water bills. The TRWD has provided some tips for water conservation when it comes to lawn care:

- Don't water between 10 AM—6 PM
- Apply no more than an inch of water per week during summer
- Try to cycle and soak to avoid runoff by running zones in shorter bursts with one hour between cycles
- Turn your system off after a good rain
- Check your system regularly

For more information or to sign up for weekly watering advice or a free sprinkler system evaluation visit <https://www.savetarrantwater.com/>
