First Annual Tree Lighting and Santa Day

Ring in the holiday season **Friday, December 2nd** at the first annual Westworth Village Tree Lighting Ceremony!

Starting at 5:30 PM, come enjoy complimentary hot cocoa and snacks, or a drink from the cash bar. Mingle with neighbors and snag your spot for the lighting! If you'd like to sit, please bring a chair.

The lighting will take place at 6:00 PM in front of City Hall. Immediately following the lighting, Santa will be ready for his photo op! You will receive a complimentary printed photo and a take home craft pack!

Please note: this is an outdoor event, so check the weather and dress accordingly. If the weather is too inclement, portions of the event will be moved inside.

Holiday Theft Awareness

Yes, **ITS SHOPPING SEASON FOR BURGLARS!**

Be sure to keep your car locked (even when parked in your driveway) and hide items from view on the inside when shopping this season.

Additionally, after all the presents have been unwrapped this holiday season, take time to break down the boxes and hide them in dark trash bags or trash bins. Burglars drive neighborhoods and shop the curbs for houses to hit.

A reminder from the Westworth Village Police Department.

Message from the Water Utilities Services

Residential Winter Sewer Averaging

Each year the City of Westworth Village averages the water consumption of the December, January, and February billing periods to recalculate sewer charges. These months are used because typically residents do not have a high outdoor water demand and are considered to be the lowest overall water use.

The new winter sewer average goes into effect on the March billing and that will be the new monthly sewer charge for the next twelve months.

Commercial

Sewer charges for commercial customers are based on the monthly water consumption.

Water Conservation Tips

- Residents should begin preparations to monitor for any water leaks, monitor water consumption and practice beneficial water conservation.
- Most grasses and vegetation are now dormant; watering of grass, plants, and landscaping should be kept to a minimum.
- Sewer cost could go up, down, or stay about the same depending on how much water is used during December through February billing.

January Blood Drive

The city will be hosting blood drive at City Hall on **Friday, January 6, 2022** from **9:00 AM - 1:00 PM**. Since they will be coming off the holiday shortage, **all donors will receive a pullover jacket, as well as a \$20 e-gift card that can be used at Target, Lowes, Starbucks, or Amazon!**

If possible, they will accommodate walk-ins, but scheduling an appointment in advance is **HIGHLY** encouraged. To schedule, follow this link:

https://ww3.greatpartners.org/donor/schedules/drive_schedule/137645

For questions, contact Elisa Greubel at 817-710-2502 or egreubel@cityofwestworth.com

Cease the Grease—Holiday Grease Roundup

This year, from November 14—January 9, we will be participating in the **free** Holiday Grease Roundup. There will be a barrel outside the Public Works building at 128 Koldin Ln, available 24/7 to recycle your cooking oil and grease. (Motor oil and other automotive fluids are not accepted.)

Join us for the

Annual Holiday Grease Roundup

Residents should never dispose of cooking grease or cooking oils by washing them down the plumbing system or the storm drain. Oils pollute our streams and creeks by forming a film on the water surface and preventing oxygenation for aquatic life. Polluted water runoff can lead to severe State and Federal fines. As sewer pipes back up, food and sewage particles accumulate to create a health hazard by attracting insects and vermin.
