## High Grass Season

The City would like to remind our citizens of the importance of maintaining their yards and alleyways in order to keep our city beautiful, safe, and clean.

Property owners and tenants are responsible for keeping their lawns mowed to the edge of the streets and alleyways to a height not to exceed ten inches (10"). Please also be aware that sweeping clippings down the storm drain is also a violation of city ordinance. It is the responsibility of the resident's to ensure these ordinances are observed, and to make any persons performing lawn services at their residence are also aware and in compliance.

Those who fail to comply with city ordinances are subject to citation, and/or having their property mowed by a City-hired contractor. The owner of the lot will be billed for the City's expenses plus an administrative fee. If the bill is not paid, interest-bearing liens will be placed on the property.

As a reminder, the city's waste services provide brush and limb pick up every Wednesday.
