National Military Appreciation Month

National Military Appreciation Month (NMAM) is celebrated every May and is a declaration that encourages U.S. citizens to observe the month in a symbol of unity. NMAM honors current and former members of the U.S. Armed Forces, including those who have died in the pursuit of freedom.

Westworth Village honors all those who have served, and are currently serving, including our NAS JRB community.

National Peace Officers' Memorial Day and Police Week

National Police Officers' Memorial Day is **May 15th**, and the week in which it falls, **May 14th—20th**, is National Police Week, which is a collaborative effort of many organizations dedicated to honoring America's law enforcement community.

The Westworth Village Police Department is an integral and incredible asset to our community. They work diligently all day, every day of the year to provide our citizens and community with service and safety, even if it means risking their own. Please join us in expressing our sincere appreciation for these dedicated individuals, and if you see our officers out, let them know how much their sacrifice and hard work means to our community!

National Public Works Week

National Public Works Week is from **May 21—27th**! It is a great time to show your appreciation for all this team does to keep our city clean, safe, beautiful, and to maintain our vital infrastructures. This small team accomplishes big things every day of the year to make Westworth Village the wonderful community we know and love.

If you see one of our crew members out in the field, be sure to thank them for all the hard work they do behind the scenes to keep our village running!

May Blood Drive

The city is hosting another blood drive. The Carter BloodCare bus will be at City Hall on **Wednesday, May 31, 2023** from **9:00 AM - 1:00 PM**. Please consider volunteering to make a life saving donation! Scheduling an appointment in advance is **HIGHLY** encouraged.
