## May 4, 2024 Election Results

The May 4th election has been canvassed and we would like to welcome two new council members and returning Councilman Fitzgerald who ran unopposed:

- Place 2: Immy Khan
- Place 3: Teddy Berdan
- Place 4: Robert Fitzgerald

Please join us in congratulating them, thanking outgoing Councilmen Dingman and Libbey for their service, and all of those who participated by voting! In addition, both sales tax propositions (street maintenance and CCPD) were reauthorized. You can contact the council members or the mayor directly, using their email addresses found online: <https://www.cityofwestworth.com/city-council>

## Committee and Board Volunteer Applications

Please consider applying to serve on one of our committees. The council relies on the recommendations of the committees when making decisions for our amazing city. As the demographics of our town continue to change, the makeup and representation on our committees should continue to reflect those changes, as we continue to honor the past, address the present, and plan for the future. The only way that is possible is if YOU get involved.

The application is simple, and the service requirements are minimal – but the impact is huge! If you have a desire to serve your community, this is an excellent way to get started!

The volunteer application can be found online at [www.cityofwestworth.com/boards-commissions](http://www.cityofwestworth.com/boards-commissions), by scanning the QR, or are available in the lobby at city hall. If you have any questions about these committees, and where your services is most needed, please don't hesitate to reach out to a council member or me.

Applications need to be turned into Brandy Barrett at [bbarrett@cityofwestworth.com](mailto:bbarrett@cityofwestworth.com) no later than June 5th. All applications will be provided to the city council members, as it typically makes appointments at the June council meeting.

## Water Conservation Tips

Water is one of our most precious resources. It should be conserved year round, but as the heat of the summer approaches, it is more important than ever to be mindful of your usage.

### Indoors:

- Fix dripping faucets by replacing washers, as continuous small drops add up quickly.
- Check all plumbing for leaks and have any leaks repaired by a plumber.
- Monitor your water usage using your [Eye on Water](#).
- Choose energy and water efficient appliances, low flow shower heads, and low-volume toilets.
- Don't pour water down the drain when there may be another use for it (i.e. watering plants)
- Don't leave water running when performing daily tasks such as washing dishes, brushing your teeth, or shaving.
- Wash only full loads of laundry and dishes.

### Outdoors:

- Position sprinklers so water lands on the lawn and shrubs and not on paved areas.
- Don't over-fertilize your lawn and apply fertilizers that contain slow-release, water-insoluble forms of nitrogen.
- Check sprinkler systems and timing devices regularly to be sure they operate correctly.
- Cover pools and spas to reduce water evaporation.

## Melva Campbell Park Reservations

Want to reserve a pavilion, a pickleball court or the community room for your next event or party? Online reservations make it easier than ever to do! Just visit [www.cityofwestworth.com/facility-rentals](http://www.cityofwestworth.com/facility-rentals) or scan the QR code below!

### Here are answers to some of our park rental FAQs:

- The city allows one reservation per rental area per day.
- Rentals can be made in 2, 4, or 6 hour durations.
- Westworth Village residents receive discount pricing and must be able to provide proof of residency.
- Reservations are not valid until the requester has received approval confirmation and made payment in full through our online payment portal.
- All areas of the park are available for public use on a first come, first served basis unless the area has been reserved through our system.
- Public restrooms and water fountains are always available inside the Police Department lobby.
- A full list of policies, including pricing and usage rules and restrictions can be found on the website.

An advertisement for a meal deal. It features a large chicken salad sandwich on a bun and a bowl of potato chips. A green circular badge with a white dollar sign and the number '6' is overlaid on the sandwich. The background is light green and yellow with decorative elements.
